PARTY ALL NIGHT

ALLAHABAD IS TALKING

It was a rocking evening for the inauguration of Allahabad's newest night spot, Party was on. **OPENING** **CELEBRATION** **ALLAHABAD**

Author Pratibha Reddy introduces us to the new night spot in town, Party was on, and why it's a must-visit destination.

After a long day of work, there's nothing better than getting away from it all and letting your hair down. The highlight of the night is the DJ set by DJ Suresh, who has been playing at various clubs across the country and has won several awards. He is known for his unique style of music, which includes both house trapping numbers, which made the opening night a success.

Also present at the its-very first Launch, Pritha, Sabita, Monika, Nisha and Renuka.
